1.0 INTRODUCTION

1.1 This Procedure Manual sets out the procedure to deal with short-lived and long-running under-performance of a teacher who has gained full registration with the General Teaching Council (GTC) Scotland.

1.2 It should be noted that there are different and separate provisions to manage under performance of a provisionally registered teacher.

1.3 Similarly, it should be noted that where the alleged under-performance relates to administrative/managerial duties of a promoted teacher, similar procedures may be applied, but always in the knowledge that GTC Scotland procedures and Fitness to Teach Panel outcomes can only relate to teaching competence and not to administrative/managerial competence.

1.4 As East Dunbartonshire Council strives to continuously improve the quality of education for all children and young people, it is essential that all teachers are supported to develop their knowledge and skills throughout their career. All members of staff should be aware of the duties of the job as outlined in Part 2 Section 2 of SNCT Handbook of Conditions of Service (see Appendix 1) and The GTC Scotland Standard for Full Registration (see Appendix 2) which is the standard of professional competence expected by GTC Scotland of fully registered teachers.

1.5 Measures for providing support to teaching staff and the role of the Education Quality Development Service (EQDS) are outlined in Appendix 3 – Providing Support for Teaching Staff.

2.0 DEFINITION OF TEACHER COMPETENCE

2.1 The Framework on Teacher Competence (FTC) (March 2012) provides the definition of teacher competence in terms of The Standard for Full Registration (SFR) (2012). The FTC should be read and used in conjunction with the SFR.

2.2 Teachers who are fully registered should be able to demonstrate in their professional activities the Standard in each of the following areas:
- Professional Values and Personal Commitment
- Professional Knowledge and Understanding
- Professional skills and abilities

3.0 DEFINITION OF UNDER-PERFORMANCE

3.1 ‘Short-lived’ under-performances may be caused by many different factors such as illness, personal circumstances, lack of understanding of current methodology, loss of confidence or external factors beyond the control of the teacher. It is expected that, with support and guidance, the problem will be overcome by the teacher within a short period of time.

3.2 Under-performance is termed ‘long-running’ when support, guidance and professional development opportunities have been offered to the teacher, but have not resulted in the teacher maintaining the level defined in the SFR.
4.0 PROCEDURES FOR DEALING WITH UNDER-PERFORMANCE

4.1 The procedures assume that the teacher has been performing at a competent level up to the point at which temporary under-performance enters Stage 1 of the FTC.

4.2 Professional Update does not measure teacher competence. Professional Update should focus on continuous improvement rather than on determining whether or not a teacher is, or has remained, competent.

4.3 There are four stages in the procedures. Stages 1 and 2 relate to specific instances of short-lived under-performance. Stages 3 and 4 will be invoked in cases of long-running under-performance (See diagram 1).

4.4 In all cases and throughout all stages there should be evidence of consistent and continuing reference to the SFR through the well structured and documented process set out in this Procedure Manual. This should ensure that:

4.4.1 there is recorded evidence of support and development provided and reasons for the decisions made at each Stage.

4.4.2 the process is fair and reasonable with clear objectives linked to either the short lived or long running under-performance.

4.4.3 the aim is to improve and not punish the individual teacher.

4.4.4 the process is tailored to individual circumstances and complies with the terms of the Equality Act 2010.

Diagram 1: Four Stages in dealing with under-performance of teachers
5.0 **STAGE 1: PRELIMINARY SHORT LIVED UNDER-PERFORMANCE**

5.1 At this stage, it is assumed that the problem is one of short-lived under-performance. Although this stage does not form part of the Council’s formal disciplinary procedures, the teacher should be made aware of the potential for matters to progress to formal procedures and that reliance may be placed upon evidence gathered at Stages 1 and 2.

5.2 The teacher is encouraged to invite a colleague or representative from his/her Professional Association to accompany him/her to any meetings.

5.3 Informal meetings should be held between the teacher and principal teacher/depute head teacher as appropriate to sector. The teacher should be encouraged to participate fully during these discussions in identifying the causes of underperformance and possible ways to improve, through professional self evaluation. Advice and guidance to improve performance should be offered by colleague(s) at the meeting.

5.4 The member of the management team with responsibility for monitoring teaching performance should, where appropriate, advise the teacher of the role of the employee welfare adviser.

5.5 At the end of the first informal discussion, a date should be agreed by the teacher and senior colleague for a meeting to review performance as soon as reasonably possible. The time agreed for the teacher to reach the required standard should reflect the nature of the competency or competencies under review.

**COMPLETE FORM CPIa: Record of Initial Meeting**

5.6 The Review Meeting should focus on the area(s) of under-performance already identified and consider whether sufficient improvement to the required standard has been achieved.

**COMPLETE FORM CPIb: Record of Review Meeting**

5.7 At the conclusion of this stage, i.e. after the meeting to review performance, whether or not the required standard has been achieved, an oral report, based on the Record of Review, should be given to the teacher indicating the outcome.

5.8 There are two possible outcomes:

**Outcome 1**
Where improvements have been achieved to the required standard, no further action will be taken. The teacher should be informed of this decision in writing.

**ISSUE LETTER CL1a: ‘No further action’ letter**

**Outcome 2**
Where improvements have not been achieved to the required standard, the teacher should be informed that the matter will be referred to the Headteacher, who will consider whether Stage 2 of the procedures should be implemented.

**ISSUE LETTER CL1b: Referral to Head Teacher**
5.9 The Headteacher must advise the teacher of the role of the Employee Welfare Adviser at this stage. It should be recognised that short-lived under-performance may be caused by many different factors (see 3.1). The advice of the employee welfare adviser may be crucial in informing a decision at this point.

5.10 If it is brought to the attention of the Headteacher that the teacher is suffering from stress and/or anxiety as a result of this process, this must be reported to the authority. In this case an occupational health report and/or a medical report may be requested. This report should identify any reasonable adjustments that require to be considered through the process.

5.11 The teacher will be informed of the Headteacher’s decision and the underpinning reasons in writing.

6.0 STAGE 2: SUPPORT SHORT LIVED UNDER - PERFORMANCE

6.1 The Support Stage still does not form part of the Council’s formal disciplinary procedures and the problem is still deemed to be short-lived underperformance, but the teacher should be made aware of the potential for matters to progress to formal procedures and that reliance may be placed upon evidence gathered at Stages 1 and 2.

6.2 The teacher is encouraged to invite a colleague or representative from his/her Professional Association to accompany him/her to any meetings.

6.3 Discussions should be held between the teacher, the relevant Professional Association representative and the Headteacher to agree the way ahead. Issues should be openly addressed in order to:

1. clarify the specific aspects of the SFR which are to be addressed;
2. suggest the proposed mechanisms which will be put in place to support the teacher; and
3. agree the appropriate professional development opportunities which can be accessed.

COMPLETE FORM CP2a: Record of Initial Meeting

6.4 Sympathetic consideration will be given to all reasonable requests for support made by the teacher.

6.5 At the end of these discussions, the Headteacher should give a broad indication of support which will be provided.

6.6 Within 7 calendar days of the discussions referred to in 6.3, the Headteacher will confirm in writing:

1. the improvements to be made;
2. the support mechanisms and professional development plan to be provided; and
3. dates for an interim review and a final review.

ISSUE FORM CP2a: Record of Initial Meeting

6.7 A written timeframe outlining key milestones should be agreed for the teacher to reach the required standard. This should be reasonable and reflect the nature of the competency or competencies under review.
6.8 The Head teacher must advise the teacher of the role of the Employee Welfare Adviser at this stage.

6.9 The Review Meeting should focus on the area(s) of under-performance already identified and consider whether sufficient improvement to the required standard has been achieved.

COMPLETE FORM CP2b: Record of Review Meeting

6.10 At the conclusion of the final Review Meeting, the teacher will be informed of one of two possible outcomes:
Outcome 1
Where improvements have been achieved to the required standard, no further action will be taken. The proceedings will be deemed to be complete. The teacher will be informed of this decision, in writing.

ISSUE LETTER CL.2a: ‘No further action’ letter

Outcome 2
Where improvements have not been achieved to the required standard the teacher should be informed that formal disciplinary procedures will be implemented. This decision and the underpinning reasons should be communicated to the teacher in writing. The teacher should be advised of his/her statutory and contractual rights to be accompanied at Stage 3.

ISSUE LETTER CL.2b: Proceed to Stage 3

7.0 STAGE 3 DISCIPLINARY LONG RUNNING UNDER - PERFORMANCE

7.1 This stage comprises the Council’s formal disciplinary procedures and the problem is now considered to be one of long-running under-performance.

7.2 The teacher should be advised of his/her statutory and contractual right to be accompanied by a colleague or the secretary of their respective Professional Association.

7.3 A comprehensive overview report of the teacher’s alleged failure to maintain the standards described in the SFR should be produced by the Headteacher indicating:
- the particular sections of the SFR in which the teacher is alleged to be underperforming,
- how and why it is alleged that the teacher has fallen below the required standard of performance,
- details of the support mechanisms and professional development opportunities offered to the teacher,
- the process and documentation associated with Stages 1 and 2.
- The performance milestones during the process.

7.4 All of the above information may be considered: at subsequent stages in the Council’s formal disciplinary proceedings; and will be required if the case proceeds to Stage 4 and is referred to the GTC Scotland.
8.0 STAGE 4 REFERRAL TO THE GTC SCOTLAND
LONG RUNNING UNDER - PERFORMANCE

8.1 A case must be referred by the Council (or any former employer) to the GTC Scotland under the terms of Article 25 of the Public Services Reform (GTC Scotland) Order 2011 where a case culminates in:
   • The dismissal of the teacher.
   • The resignation of the teacher in the context of a possible dismissal.
Such referrals should be made to the Fitness to Teach Department at GTC Scotland

8.2 An explanation must be given to the GTC Scotland regarding the circumstances which caused the registered teacher to be dismissed or where a registered teacher might have been dismissed by the authority.

8.3 Information relating to the GTC Scotland procedures for dealing with such cases can be found in the Fitness to Teach and Appeals Rules 2012.

APPENDIX 3

Providing Support for Teaching Staff

The School Improvement Plan details the priorities for the school but also identifies the related staff development needs. Each school will have in place policies and procedures for supporting the continuous development of teachers. A member of the management team will be nominated as Continuing Professional Development Coordinator who has responsibility for supporting the development needs of all teachers and determining how these can best be met within the resources available to the school for training and development purposes. Professional Review and Development of staff is an important way of teachers engaging in self evaluation and identifying their own professional development needs not only as they relate to the School Improvement Plan but also their own personal development needs.

The Education Quality Development Service (EQDS) provides support to schools and services to improve the quality of education. Each school has a link Quality Improvement Officer, who liaises with the head teacher and staff development coordinator, to provide support to implement the School Improvement Plan. Staff development activities are supported through central courses and also at school level through a variety of mechanisms for example, working groups, visits to other classes, cross sectoral visits, engaging in professional dialogue with colleagues, professional reading. Teacher Learning Communities have been a very successful way of teachers working collaboratively to reflect on and improve their practice. Quality Improvement Officers also have a strategic remit for particular areas and can provide advice and guidance to schools on these e.g. development of assessment and learning and teaching approaches. They can also facilitate links with other staff within the Education Service and partner agencies, who may provide support to the school or individual teachers. This can include identifying good practice in another school and organising visits for peer shadowing.

Where there are issues regarding teacher competence and the procedures in Procedure Manual 2/28 are enacted, the link Quality Improvement Officer can provide general advice and can facilitate the provision of suitable staff development activities to support the teacher and the school. Where appropriate, for example at a Stage 2 interim review, a Quality Improvement Officer should be involved to provide advice and support as an independent adviser. Their role would be to review the issues and advise on any further support that could be provided.
