Dear Colleague

JOB SIZING TOOLKIT

The job sizing toolkit will be placed on the SNCT website from 1 June 2008.

A copy of the webpage is appended for your information.

While the toolkit is on the website the release of local authority information is solely a matter for Councils to determine.

Release of Job Sizing Toolkit

As from 01.06.2008 the job sizing toolkit will be placed on the SNCT website (www.snct.org.uk). This toolkit is the property of the Scottish Negotiating Committee for Teachers. It is available for individual use only and must not be used for commercial purpose or financial gain.

The data to be inserted applying to local authorities is not held by SNCT. It is solely for the relevant local authority to decide to release such data.

The use of the toolkit is entirely at the risk of the user and the SNCT has no liability for any errors, defects or failures in the performance of the toolkit. The SNCT is not liable for any infection caused by the use of the toolkit. The user is responsible for ensuring the computer system is adequate and for installing and updating virus protection software.
