Between

Renfrewshire Council

and

the Educational Institute of Scotland, the Scottish Secondary Teachers’ Association, the Professional Association of Teachers and the National Association of School Masters Union of Women Teachers

1. Renfrewshire Council hereby recognises the EIS, SSTA, PAT and NASUWT as the sole representatives of the teaching staff, music instructors, education advisers and educational psychologists employed by the Council on all matters relating to conditions of service as defined in paragraph 3 of this recognition and procedure agreement and other matters not subject to national bargaining.

2. The Council and the recognised unions jointly affirm their commitment to the maintenance of good industrial relations and accept that this Recognition and Procedure Agreement and any formal agreements which arise from it will be binding on the signatory parties.

3. All agreements, orders, settlements and determinations of the Scottish Negotiating Committee for Teaching Staff in School Education dealing with:

- cover agreements
- appointment procedures
- particulars of employment
- working time arrangements
- arrangements for school based negotiation/agreement
- expenses of candidates for appointment
- transfer of temporary teachers to permanent staff
- promotion procedures
- staff development arrangements
- specific duties and job remits
- arrangements for school based consultation
- other leave and absence arrangements
- notice periods
- housing
- indemnification procedures
- other allowances
- discipline and grievance procedures

shall be adopted as the base for negotiations under the procedures established by this Recognition and Procedure Agreement.
4. The purpose of this Recognition and Procedure Agreement is to establish bargaining machinery and a negotiating procedure between the Council and the signatory unions whereby relevant conditions of service can be determined for all teaching staff, music instructors, education advisers and educational psychologists.

5. The Council hereby recognises the unions who are signatories to this Recognition and Procedure Agreement as the sole bargaining agents for the matters covered by this Recognition and Procedure Agreement.

6. The Council will negotiate through a Management Side appointed by itself. The recognised unions will negotiate through a joint union side appointed by them collectively which will reflect, on a pro-rata basis, the respective membership strengths of each organisation. The Management Side and the Joint Union Side will each appoint a secretary for their respective sides.

7. Negotiations between the two sides shall be conducted within a committee to be known as the Renfrewshire Council Joint Negotiating Committee for Teaching Staff. Meetings of the Committee shall be held as and when requested by either side with the proviso that there will be six timetabled meetings in each calendar year. One of the meetings shall be designated the Annual General Meeting for the purpose of approving the membership of the JNC and reviewing any standing sub-committees. Administrative support to the committee shall be provided to take responsibility, in consultation with the joint secretaries, for making the arrangements for meetings. Extraordinary meetings shall normally be arranged within 10 working days of a request being lodged, or otherwise by mutual agreement.

8. The composition of each side of the Committee shall be determined by the sides separately, but shall not exceed ten members of each side. The Committee may, from time to time, appoint from among its own members a sub-committee or sub-committees to discharge such of the functions of the Committee as the Committee may specify. Substitutes will be permitted and it is for the respective side to determine an appropriate substitute.

9. The quorum for a meeting of the Committee shall be four from each side. In the case of a sub-committee, the quorum shall be determined by the Committee when the sub-committee is first established. The chair of the committee will alternate between the sides from meeting to meeting. The Committee/sub-committees shall meet in private. Each side shall be entitled to authorise the presence of persons who are not members of the Committee to act as advisers, and who may with agreement, address the committee. The names of any advisers attending will normally be intimated in advance.

10. Agreements reached by the Committee shall be binding on the Council and the signatory unions where these arrangements are within the delegated powers of the Director of Education and Leisure Services. Otherwise, these arrangements will require to be referred to the appropriate Committee of the Council and the full teachers’ side for ratification.

11. Where either side does not ratify the agreement it will be referred back to the JNC for further consideration.
12. Agreements reached between the two sides shall be set out in a text jointly approved by the two sides and the text will be subscribed by the joint secretaries. All local agreements shall be reported to the SNCT.
13. The joint secretaries will be available to advise their respective sides on matters relating to agreements reached by the Committee. In formulating such advice the joint secretaries may consult with each other whenever they think it appropriate.

14. This Recognition and Procedure Agreement shall take effect as soon as it has been signed on behalf of the Council and on behalf of the Teachers’ Side.

15. No variation to this Recognition and Procedure Agreement may be made except with the consent of the Sides to this agreement.

16. The Council hereby agrees to ensure that adequate paid time off work shall be granted to all union representatives on the Joint Negotiating Committee and that particular consideration shall be given to the amount of paid time off work required by the person appointed as union side joint secretary, as well as the necessary facilities covered by ACAS Code of Practice No. 3.

17. The signatory parties to this Recognition and Procedure Agreement acknowledge the importance of establishing and maintaining confidence in the negotiating arrangements established under this Agreement and recognise the need to negotiate in good faith.

18. In the event of any dispute being declared between the two sides or where there is a failure to agree at school level on any relevant matter, the Council and the signatory unions should seek to resolve the matter, without delay through discussion in the Committee. The Council further agrees not to implement any change which is the subject of dispute until the matter has been considered by the Committee. The signatory unions, likewise, further agree not to implement any form of industrial action unless and until the Committee has failed to achieve a resolution of the matter in dispute.

19. Where agreement between the two sides of the local negotiating committee is not possible, either side may refer the failure to agree to the Joint Chairs of the SNCT for conciliation. If the conciliation is unsuccessful the Joint Chairs of the SNCT may recommend further procedures for resolution of the difference, including external conciliation, mediation or binding arbitration.

20. In addition to its principle function of constituting a forum for the negotiation of relevant conditions of service, the functions of the committee will include consultation on other relevant matters. Any conclusion to such consultation shall not be binding on the parties to this agreement unless a joint undertaking is expressly stated by both parties.
