## **Guidance on the Application of JNC/8 and the Impact on JNC/12 from May 2009**

In November 2006, Renfrewshire JNC reached agreement on the arrangements which were to be used to fill promoted posts, once all promoted posts identified in the restructuring exercise and subsequent amalgamations had been filled.

At the date of issue, this guidance sets out the revised procedures for the advertising of Principal Teacher posts within Renfrewshire Council.

1. As of May 2009, in the first instance, Principal Teachers posts will be advertised within Renfrewshire Council.
2. Where Head Teachers are unable either to establish an interview list or identify a suitable candidate for appointment, Principal Teachers posts will be advertised nationally.
3. This procedure will be subject to review on an annual basis.
