**Code of Practice on Secondments**

**SNCT Handbook Appendix**

Dear Colleagues

The SNCT has agreed a Code of Practice on Secondments as an outcome of its work on Career Pathways. This Code of Practice aims to establish good practice on the use of secondments and to develop the principles for secondments as outlined in the [Independent Panel on Career Pathways for Teachers](#) which is available on the SNCT Website.

This Code of Practice should be adhered to by Councils and schools and should enable greater consistency of approach to movement within and across schools, local authorities, regional improvement collaboratives and other organisations such as higher education and national agencies.

The attached will be held within Part 2 – Appendix 2.21 of the SNCT Handbook.

Yours sincerely

Simon Cameron (Employers' Side)  
Louise Wilson (Teachers' Panel)  
Stephanie Walsh (Scottish Government)
