Dear Colleague

SNCT/30 – NON CHARTERED PSYCHOLOGISTS ON THE MAINGRADE SCALE

Following the issue of SNCT/30 clarification has been sought from the Joint Secretaries on the assimilation of Educational Psychologists who are on the maingrade scale but who are not chartered.

The requirement to be chartered, either fully or conditionally, was set out in SNCT/19. Those appointed after August 2002, the effective date of SNCT/19, who are conditionally chartered and who are on points 1-4 of the current scales should be placed at Point 0, the Inductee Point. Those appointed after August 2002 who are conditionally chartered and who are on points 5-10 of the current scales should be placed at the appropriate salary point on the new scale as set out in SNCT/30. In both cases incremental progression for those appointed after August 2002 requires full chartering.

Educational Psychologists who are not chartered but appointed in August 2002 or earlier should be assimilated to the appropriate salary point on the new scale.

The terms of SNCT/19 will continue to apply to Educational Psychologists who are not chartered but who seek to move to another post.

Yours sincerely

Lynne Dickson (Employers' Side)
Drew Morrice (Teachers' Panel)
Stephanie Walsh (Scottish Executive)
