Dear Colleague

SNCT Advice: Guidance on the Deployment of Support Staff in Schools

The SNCT's Support Staff Working Group has produced guidance to provide support and advice to councils, managers and teachers to assist the effective deployment of support staff in schools. This guidance is endorsed by the SNCT and its full implementation should be discussed within the LNCT.

The 'Guidance on the Deployment of Support Staff in Schools' sets out 'Principles of Good Practice' as well as providing practical advice on both deployment and management of support staff. It also expresses the SNCT's view that examples of good practice should be shared both within and between councils. To facilitate this it is requested that examples of proven, good practice are sent to the SNCT Joint Secretaries for posting on the SNCT website.

A copy of this Guidance is enclosed and it is also available on the SNCT website: www.snct.org.uk/lettersofAdvice.php.

Yours sincerely

Joe Di Paola (Employers' Side)
Drew Morrice (Teachers' Panel)
Stephanie Walsh (Scottish Executive)
